To the extent that our Risk Disclosure Statement purports to create rights and obligations between you and us, and to the extent permitted by law, the terms of that document will be incorporated into and form part of these Terms of Use. You further acknowledge and warrant that you understand the risks associated with Transactions, Ancillary Transactions, the Service, Fiat Assets, Crypto Assets, the NZ Fiat Clearing Facility and any other goods, services or products provided in connection to this Platform.

- 3.2 You acknowledge that it is your responsibility to undertake your own investigations and enquiries and satisfy yourself of the legal status of your use of the Service, Fiat Assets, Crypto Assets, the NZ Fiat Clearing Facility and any other good, service or product in connection to this Platform. - 4.1 You may be required to register on the Platform to access certain Platform features.
- 4.2 When you register and activate your account, you will provide us with personal information such as your name, email address, the name of the legal entity you are representing and other details. You must ensure that this information is accurate and current. We will handle all personal information we collect in accordance with our Privacy Policy.
- 4.3 You will create a username and password. You are responsible for keeping this username and password secure and you are responsible for all use and activity carried out under this username. You must not share your account credentials with any third party. We do not authorise anyone to use the Platform on your behalf, and we will not be liable for any loss or damage arising from any kind of activity, unauthorised or otherwise, that takes place under your account in circumstances where such loss or damage is not directly attributable, and caused by, our acts or omissions.

## **5 Your conduct**

- 5.1 You are responsible for your use of the Platform and for any use of the Platform made using your account. You agree not to access, copy, or otherwise use the Platform including our intellectual property and trademarks, except as authorised by these Terms of Use or as otherwise authorised in writing by us.
- 5.2 In circumstances where we reasonably suspect that you have used our Platform or the Service to participate in market manipulation (such as, but not limited to, "pump and dump" schemes), regardless of whether prohibited by law, we reserve the right to close your account. We accept no liability for any losses associated with, or any suspension or closure of your account, in connection with suspected market manipulation.
- 5.3 When using the Platform, the Service or the NZ Fiat Clearing Facility, you agree that you will not:
  - a. act in a way which is otherwise than courteous and polite;
  - b. breach any policy on the Platform or any law which may be applicable to the use of the Platform;
  - c. breach, or cause us to breach, any law, regulation, rule, code or other legal obligation;
  - d. use any automated systems including "robots" and "spiders" other than those permitted through our public API and only use such automated systems in accordance with these Terms of Use;
  - e. interfere with or compromise our Platform's integrity or decipher any server transmissions;
  - f. impose an unreasonably large load on our infrastructure;
  - g. upload viruses, worms, or invalid data to the Platform;
  - h. collect or retain any personally identifiable information contained in the Platform;
  - i. access the Platform by any means other than as authorised in these Terms of Use, including virtual private networks which are expressly forbidden;
  - j. stalk, harass, bully or harm others; or
  - k. impersonate any person or entity.

## **6 Our role in relation to Transactions**

- 6.1 You acknowledge and agree that:

- a. you appoint us as your agent to act on your behalf and enter into Transactions and Ancillary Transactions, including those with third party counterparts, and otherwise handle your Assets as we operate the Platform in accordance with these Terms of Use (“**Service**” or “**Services**”).
  - b. neither a Transaction nor Ancillary Transaction will, under any circumstance, create any relationship of employment, partnership or otherwise between us and you, or us and any User or counterpart, except as stated in paragraph 6.1(a);
  - c. we act solely as your agent in all of your Transactions and Ancillary Transactions on the Platform;
  - d. in relation to each Transaction and Ancillary Transaction (where applicable), the counterpart is (if you are the seller), or you are (if you are the buyer), solely liable for any Consideration under the Transaction. We merely act as facilitator and agent for the payment of such Consideration and we will not be liable for the Consideration under any circumstance, except where loss or damage to such Consideration is caused by our direct acts or omissions. You agree that you will not pursue any actions, legal or otherwise, against us for any non-payment of Consideration that is not caused by our direct acts or omissions, and that this provision constitutes a bar to any such actions or proceedings.
- 6.2 We are not liable in any way for anything that occurs outside of our reasonable control in connection with a Transaction or Ancillary Transaction.

## **7 Holding Assets**

- 7.1 In the operation of its business model as a Crypto Asset broker, and to facilitate near instantaneous settlement of Transactions, Swyftx holds and moves customer Crypto Assets as described in this clause 7.
- 7.2 Swyftx holds customer Crypto Assets on a 1:1 basis. In other words, Swyftx does not transform Crypto Assets from how they are reflected in customer wallets on our Platform. We may hold customer Fiat Assets in stablecoins for certain periods as we facilitate transactions.
- 7.3 You acknowledge and agree that we may earn interest on your Fiat Assets held on the Platform.
- 7.4 Swyftx operates on full reserves, not fractional reserves. That is to say, we hold 100% of customer Assets, not some lesser percentage of those Assets.
- 7.5 While your Crypto Assets remain on Swyftx’s Platform, Swyftx has control of those Crypto Assets. To hold the private keys of your Crypto Assets, you have the option of withdrawing those Crypto Assets to your own wallet, subject to the limits displayed on our Platform.
- 7.6 As it operates its business model as a Crypto Asset broker, Swyftx moves customer Assets held by it to third parties, external platforms and systems. As customer Assets are moved and held in this way, they may generate a return for Swyftx. Swyftx’s policy is that generating this return should not put the Assets at any greater risk than those assets would otherwise have been in to facilitate our Crypto Asset broker model. Apart from this kind of return, which is incidental to our business model, Swyftx will not actively seek to generate returns or yield with customer assets. For the avoidance of doubt, Swyftx does not lend customer assets.
- 7.7 Swyftx may stake customer Crypto Assets held by it on-chain. This means Crypto Assets held by Swyftx are only staked on native proof-of-stake protocols. Swyftx will always retain the private keys of any staked Crypto Assets and, therefore, will not put those Crypto Assets at any materially greater risk than they would otherwise be in. For the avoidance of doubt, Swyftx does not engage in off-chain staking of your Assets or lending of your Assets to third parties.
- 7.8 As your Assets are moved and held in the manner described in this clause 7, Swyftx may receive incidental commission payments from third parties where your Assets are held.

- 7.9 Despite the above, and for the avoidance of any doubt, Swyftx does not offer custodial or fiduciary services to you, and we do not hold your Assets as your custodian or on your behalf. Your Swyftx account is not a deposit, checking or savings account, and it is not covered by insurance against losses. In certain circumstances, Customer Assets may not be able to be held in segregated client accounts or separate from Swyftx's own Crypto Assets and Fiat Assets. However, for the avoidance of doubt, Swyftx will never use customer Crypto Assets for its own operating purposes.

## 8 Using the Platform

- 8.1 When you issue commands via the Platform ("**Instructions**"), you appoint us as your agent to provide the Service and enter into Transactions and Ancillary Transactions (on the basis of the Instructions) on your behalf. Subject to clause 21.4(e), you irrevocably authorise us to do anything necessary on your behalf to give effect to your Instructions or a related Transaction or Ancillary Transaction, including applying or deducting any Assets from your account.
- 8.2 You acknowledge and agree that you are exclusively responsible for any Instruction provided to us electronically that is identified with your password and username and for any electronic written instruction provided to us from persons we reasonably believe are authorised by you. Verification of any instruction (via the Platform or otherwise) is at our sole discretion and evidence may be requested to confirm your identity. If you fail the verification process, we may terminate your account by sending you an Account Closure Notice.
- 8.3 We may refuse any Instructions (subject to clauses 21.4(e) and 21.5), or to perform any Transaction or Ancillary Transaction, in our sole and absolute discretion. We will not be liable for any failure to identify a User or enter into a Transaction or Ancillary Transaction.
- 8.4 It is your sole responsibility to enter correct and accurate Instructions, including without limitation any names, addresses, account numbers and amounts.
- 8.5 Subject to clause 16.11, all Transactions and Ancillary Transactions are final, non-reversible and non-refundable unless we agree otherwise in writing (in our sole and absolute discretion).
- 8.6 In the circumstance where you have received, acquired, or accumulated any Assets due to an error, glitch or loophole, we may take reasonable action, including but not limited to restricting access or deducting the relevant Assets from your account, to recover the Assets from your account. We will notify you if such an error has occurred.
- 8.7 We reserve the right to take reasonable action, including but not limited to restricting access, or preventing a Transaction or Ancillary Transaction, where further information is required from you, or it is a requirement of our Third Party Service Providers (as defined in clause 14.1). Where permitted, we will use reasonable endeavours to notify you if and when this occurs.
- 8.8 It is your responsibility to check your account and monitor the movement of your Crypto Assets, including any pending, lapsed or cancelled movements, through your transaction history and to re-execute any Transactions and Ancillary Transactions which fail.
- 8.9 It is your responsibility to maintain your own records of your Transaction and Ancillary Transaction history.
- 8.10 All deposits and withdrawals of Assets are subject to the limits displayed on our Platform. Subject to clause 1.3, such limits may be changed in our sole and absolute discretion.
- 8.11 All Fiat Asset payments made in the course of your use of the Platform are made using certain third-party payment providers. You acknowledge and agree that in using the Platform, the Services or when making any payment in relation to your use of the Services or a Transaction or Ancillary Transaction, you are subject to the terms and conditions imposed by such payment providers. We may disclose your personal information to such third party payment providers in accordance with our Privacy Policy.

- 8.12 You acknowledge that:
- Crypto Assets or Fiat Assets deposited with us in your account are not kept separate from those of other Users in our account (subject to clause 21.4(d)); and
  - there may be small discrepancies between amounts displayed on the Platform and actual amounts held or transacted. This is usually due to rounding issues and market fluctuations.
- 8.13 Some Crypto Assets may entitle you to additional entitlements including without limitation, air drops, forks or other Crypto Asset entitlements (“**Entitlements**”). Whilst we will make reasonable efforts to support these Entitlements, we do not guarantee or give any warranties in relation to any such Entitlements or support of the Entitlements. We are entitled to charge additional fees in relation to the Entitlements as notified from time to time.
- 8.14 We may require you to complete additional levels of verification or re-verification from time to time. This can arise due to a number of reasons, including, but not limited to, the frequency, type, value or nature of a Transaction or Ancillary Transaction or your total account balances, Transactions or Ancillary Transactions.

## 9 Service Fees and payments

- 9.1 In consideration for the Service and (if provided to you) the NZ Fiat Clearing Facility, you must pay us the Service Fees and any other additional fees as displayed on the Platform from time to time.

- 9.4 We may change the fixed proportion of our Service Fees outlined in the table at clause 9.3 above and add additional fees from time to time at our discretion, with 14 days' notice. Changes to Service Fees will apply to services provided from the expiry of the notice period.
- 9.5 We may change the variable proportion of our Service Fees outlined in the table at clause 9.3 above from time to time at our discretion, without notice.
- 9.6 Payments made over the thresholds and limits stated on the Platform may be held for increased durations to allow us to comply with our obligations under the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006* (Cth) or the *Anti-Money Laundering and Countering Financing of Terrorism Act 2009* (New Zealand).
- 9.7 You acknowledge and agree that where a request for any payment (whether pursuant to a Transaction, Ancillary Transaction or by way of a transfer from your bank account as a credit to your NZ Fiat Clearing Account (within the meaning of clause 21.3(a)) or as part of the Service Fees) is returned or denied, for whatever reason, by your financial institution or is unpaid by you for any other reason, then you are liable for any associated costs, including banking fees and charges.

- 9.9 The Service Fees and any other amount due will be automatically debited from any Transaction, Ancillary Transaction or otherwise from the Assets held in your account.

## 10 Tiered Volume Based Discounts

- 10.1 We offer tiered volume-based discounts of our trading fee outlined in the table at clause 9.3 above. These volume-based discounts are calculated by us on an hourly basis and based on your rolling (prior) 30-day trading volume, as outlined on the Platform. The trading fee tiers are outlined below and replace the fixed percentage trading fee in the table at clause 9.3 above, once the relevant level is met, as calculated by us:

Level	Trading Fee	30 Day Trading Volume (AUD) (' < ' means less than, ' ≥ ' means equal to or greater than)
Regular user	0.6%	< \$100,000
VIP 1	0.55%	≥ \$100,000
VIP 2	0.5%	≥ \$300,000
VIP 3	0.45%	≥ \$400,000
VIP 4	0.4%	≥ \$500,000
VIP 5	0.35%	≥ \$1,000,000

VIP 6	0.3%	≥ \$3,000,000
VIP 7	0.25%	≥ \$4,000,000
VIP 8	0.2%	≥ \$5,000,000
VIP 9	0.1%	≥ \$6,000,000

- 10.2 The tiered volume-based discounts, outlined in the table at clause 10.1 above, will be applied for any Transaction after the 30-day trading volume is calculated on an hourly basis. These discounts will not be applied retrospectively to Transactions already completed, or within a single Transaction that brings the 30-day trading volume to the next level of discount. For example, a new user who completes \$100,000 of trading volume within a 30-day period will be charged the standard trading fee of 0.6%. When their trading volume is recalculated and they complete their next Transaction, the discounted trading fee of 0.55% will apply, while ever their rolling 30-day trading volume remains within that level. As another example, if a user without trading volume in the rolling 30-day period places a single Transaction of \$150,000, they will be charged the standard trading fee of 0.6% for that Transaction. Subsequent Transactions, when their trading volume is recalculated and while their rolling 30-day trading volume remains within that level, will be charged at the discounted trading fee of 0.55%.

## 11 Affiliate program

- 11.1 We may run an affiliate program for the Platform from time to time that will allow you to refer non-Users (“**Converted Customer**”) to the Platform in exchange for an affiliate credit (“**Affiliate Credit**”).
- The Affiliate Credit will be calculated as a percentage of any fee, or portion of a fee, charged by us for a Transaction (but not on any other charges, fees, levies, etc) carried out by the Converted Customer.
  - The percentage used to calculate the Affiliate Credit:
    - will be specified on the Platform and may include a base rate and a bonus rate. These rates are subject to change and may be modified or withdrawn by us in our sole discretion; and
    - will be the current percentage set by us for a Transaction carried out by a Converted Customer, regardless of the time they became customers.
- 11.2 Subject to clauses 11.4 and 11.5, you will be eligible to receive the Affiliate Credit and any such Affiliate Credit will accrue to your account for as long as the Converted Customer maintains their account with us, provided such Converted Customers were not created as a result of clause 11.9 below.
- 11.3 If you accumulate more than AUD \$10 in your account as Affiliate Credit and provided your account has been verified in accordance with these Terms of Use, we will automatically make your Affiliate Credit balance available for withdrawal or use on the Platform.
- 11.4 All affiliate programs will be conducted at our sole discretion and may be activated, modified, or withdrawn by us without prior notice. If a new affiliate program is introduced, you will be notified by email about the new affiliate program and our intention to transfer you to the new affiliate program.
- 11.5 Your eligibility to receive the Affiliate Credit is subject to the following requirements (“**Affiliate Eligibility Requirements**”):
- you must have completed at least one Transaction on the Platform;
  - your account must not be closed; and

c. any other Affiliate Eligibility Requirements specified on the Platform from time to time.

If any of these Affiliate Eligibility Requirements is not met within 60 days of your Affiliate Credit balance first being accumulated, Swyftx may deem you ineligible for the affiliate program and your accumulated Affiliate Credit and bonus may be forfeited.

- 11.6 The Affiliate Credits will be earned only in accordance with the terms and conditions of the current affiliate program made available to you. This includes any new Affiliate Credits accruing from Converted Customers referred before transfer to a new program.
- 11.7 You acknowledge and agree that the Affiliate Credit may vary as a result of any variation in the Service Fees chargeable by us under these Terms of Use.
- 11.8 The affiliate program cannot be used simultaneously with the refer a friend program (clause 12) for the same Converted Customer. In the event that a Converted Customer, during sign-up, uses both the refer a friend program promotion code and the affiliate program link, Swyftx will apply the refer a friend program and exclude the affiliate program.
- 11.9 You agree that you will not use your own affiliate link to create and register an alternate account for yourself. This practice will be considered abuse of the affiliate program and may result in immediate termination of your account(s) and forfeiture of your accumulated Affiliate Credit and bonus.

## 12 Refer a friend program

- 12.1 We may run a refer a friend program from time to time that will allow you to refer a Converted Customer to the Platform in exchange for:
  - a. you receiving a referral credit ("**Referral Credit**"); and/or
  - b. that Converted Customer receiving a Referral Credit.
- 12.2 The Referral Credit will be an amount of an Asset, as published on our Platform from time to time. This amount is subject to change and may be modified or withdrawn by us in our sole discretion. If the Referral Credit is offered to both you and the Converted Customer, the Referral Credit for you may be of a different amount to the Referral Credit for the Converted Customer.
- 12.3 The refer a friend program will be conducted at our sole discretion and may be activated, modified or withdrawn by us without prior notice. If a new refer a friend program is introduced, you will be notified by email.
- 12.4 Eligibility to receive the Referral Credit is subject to the following requirements ("**Referral Eligibility Requirements**"):
  - a. you and the Converted Customer must be registered on the Swyftx Platform, and both accounts must not be closed;
  - b. you and the Converted Customer must have completed certain levels of verification as published on our Platform from time to time, at our absolute discretion;
  - c. you and the Converted Customer must have made a Fiat Asset deposit to the Platform (above the minimum amount applicable to a Fiat Asset deposit at that time) and must have completed at least one Transaction on the Platform;
  - d. the Converted Customer must have successfully entered the Refer a Friend promotion code; and
  - e. any other requirements specified on the Platform, at our absolute discretion, from time to time.

If any of these Referral Eligibility Requirements is not met within 30 days of your Converted Customer's sign-up to the Platform, there will be no entitlement to receive the Referral Credit for that Converted Customer.

- 12.5 If, under this clause 12, you are entitled to a Referral Credit, the Referral Credit will be sent to your Swyftx "Trade" wallet after the Referral Eligibility Requirements are met.
- 12.6 You agree that you will not use your own promotion code to create and register an alternate account for yourself. This practice will be considered abuse of the program and may result in immediate termination of your account(s) and forfeiture of your Referral Credit(s).

### 13 Intellectual property rights

- 13.1 Except for any Content, or where otherwise indicated or implied by context, we are the sole owners or licensees of all intellectual property comprised in the Platform (including all intellectual property comprised in the Platform content), and nothing in these Terms of Use constitutes a transfer of any intellectual property rights in or related to the Platform or Platform content.
- 13.2 You agree to comply with and maintain all copyright notices and other restrictions on Platform content accessed on or via the Platform.
- 13.3 You must not do anything which breaches or otherwise interferes with our intellectual property rights or the intellectual property rights of any of our third-party licensors. You may not distribute, reproduce, publish, alter, modify or create derivative works from the Platform or Platform content without our prior written permission and, if applicable, the relevant third-party licence or exploit such content for commercial benefit.
- 13.4 You acknowledge and agree that damages may not be an adequate remedy for a breach of this clause 13 and that equitable or injunctive relief may be necessary.

### 14 Third Party Service Providers

- 14.1 We may use third parties to process Transactions, Ancillary Transactions or payments, to conduct risk analysis or offer Crypto Assets, as applicable for the requested Transaction, Ancillary Transaction and/or payment method ("**Third Party Service Providers**"). Third Party Service Providers may include, without limitation, exchange platforms. We reserve the right to change and replace any Third Party Service Provider at our sole and absolute discretion. Services provided by Third Party Service Providers are governed exclusively by the terms of use of such Third Party Service Providers, and we have no responsibility or liability with respect to any of their acts or omissions and any result thereof. We do not accept any responsibility for any delay, error, act or omission of a Third Party Service Provider.

### 15 Third party links

- 15.1 The Platform may contain links to (and integrations with) websites that are owned and operated by third parties. This may include other suppliers and service providers who provide goods or services in connection with the Services. We have no control over these external websites, which are governed by terms and conditions and privacy policies independent of us.
- 15.2 Our inclusion of such third-party links on our Platform is not necessarily an endorsement or recommendation of the third party or their services.
- 15.3 You acknowledge and agree that when you access a third-party website available via a link contained on the Platform:
- a. you do so at your own risk and understand that you should review the privacy policy and terms and conditions of that website;
  - b. we are not liable for the content, accuracy, lawfulness, appropriateness, or any other aspect of that third-party website; and

- c. you acknowledge and agree that to the full extent permitted by applicable law, we will not be liable for any loss or damage suffered by you or any other person as a result of or in connection with your access or use of any third-party website available via a link on the Platform.
- 15.4 We may receive a commission or other benefit where we refer you to a third party and you make a purchase from them. Where this is the case, we will disclose this to you in any such referral.

## **16 Disclaimer and limitation of liability**

- 16.1 SUBJECT TO CLAUSE 16.11 AND TO THE MAXIMUM EXTENT PERMITTED BY LAW, WE EXCLUDE ALL WARRANTIES WHATSOEVER UNLESS EXPRESSLY STATED, INCLUDING BUT NOT LIMITED TO IN RELATION TO ANY USE OF THE PLATFORM, ANY USER OR ANY SERVICES OFFERED.
- 16.2 SUBJECT TO CLAUSE 16.11, WE DO NOT GUARANTEE OR GIVE ANY WARRANTIES THAT ANY ORDER PLACED BY YOU WILL BE EXECUTED AT THE PRICE SHOWN TO YOU OR REQUESTED BY YOU. WE WILL NOT BE LIABLE FOR ANY LOSS OR DAMAGE SUFFERED BY YOU IN THE EVENT YOUR ORDER EXECUTES AT A LESS FAVOURABLE PRICE FOR ANY REASON, INCLUDING BY REASON OF ORDER EXECUTION DURING PERIODS OF ILLIQUIDITY OR HIGHER VOLATILITY.
- 16.3 You acknowledge that when you use the Platform, enter into a Transaction or Ancillary Transaction, receive Services, and use the NZ Fiat Clearing Facility (including as beneficiary of the trust of the NZ Fiat Clearing Funds) you do so entirely at your own risk and relying on your own enquiries and judgement.
- 16.4 We do not endorse or recommend any particular User, Third Party Service Providers or any rating information displayed (if any) on the Platform.
- 16.5 To the extent that any law restricts our right to exclude Warranties under these Terms of Use, these Terms of Use must be read subject to those provisions and nothing in these Terms of Use is intended to alter or restrict the operation of such provisions. If those statutory provisions apply, notwithstanding any other provision of these Terms of Use, to the extent that we are entitled to do so and subject to clause 16.11, we limit our liability pursuant to such provisions to:
  - a. the supply of the Services again; or
  - b. the payment of the cost of having the Services supplied again.
- 16.6 Subject to clause 16.11 and to the maximum extent permitted by law, our maximum liability to you (whether in contract, tort (including without limitation negligence) or otherwise) arising in connection with these Terms of Use or the Platform is limited as follows:
  - a. we exclude all liability for consequential, special, indirect or remote loss, including loss of opportunity or business;
  - b. we exclude all liability for any loss or damage caused as trustee of your NZ Fiat Clearing Funds and otherwise in connection with the NZ Fiat Clearing Facility, other than loss or damage caused by our own mistake, fraud, negligence or wilful misconduct;
  - c. our total maximum liability for all claims arising in connection with these Terms of Use, the Platform and or Services, the NZ Clearing Facility and trust of the NZ Clearing Funds pursuant to clause 21 is capped to the total amount of any Service Fees paid by you and relevant to the particular matter (subject to clause 21.9 in relation to NZ Fiat Clearing Funds). This limitation does not apply to any Crypto Assets, funds deposited with us or NZ Fiat Clearing Funds that you are rightfully entitled to in accordance with the Terms of Use;
  - d. our liability is excluded to the extent that you contributed to the liability; and
  - e. our liability is subject to your duty to mitigate your loss.

- 16.7 We are not responsible for any loss or damage caused, directly or indirectly, by any events, actions or omissions beyond our reasonable control including, without limitation, loss or damage resulting, directly or indirectly, from any delays or inaccuracies in the transmission of orders or information due to breakdown or failure of transmission or communication facilities, or electrical power outage.
- 16.8 Subject to clause 16.10, we provide the Platform on an “as is” and on an “as available” basis without any warranties as to continuous, uninterrupted or secure access to the Platform, that its servers are free of computer viruses, bugs or other harmful components, that defects will be corrected, or that you will not have disruption or other difficulties in using the Platform.
- 16.9 All subclauses of this clause 16 are cumulative to one another.
- 16.10 If you are an Australian User, our services come with guarantees that cannot be excluded under the Australian Consumer Law. For major failures with the service (as defined under the Australian Consumer Law), you are entitled to:
- the supply of the services again;
  - the payment of the cost of having the services supplied again; or
  - cancel your contract with us and a refund for the unused portion, or to compensation for its reduced value.
- You are also entitled to be compensated for any other reasonably foreseeable loss or damage. If the failure does not amount to a major failure you are entitled to have problems with the service rectified in a reasonable time and supply of the services again or, if this is not done, to cancel your contract and obtain a refund for the unused portion of the contract.
- 16.11 If you are an Australian user, your rights under these terms do not go beyond your entitlements at law. We do not provide any additional warranties, guarantees, or representations other than as required to be provided by law.

## 17 Release and indemnity

- 17.1 Subject to clause 16.10 and to the maximum extent permitted by law, you agree to release the Released Parties from all Loss or Claims arising out of or in any way connected with any Relevant Matter except for any amount that arises from our mistake, fraud, negligence or wilful misconduct. To the extent permitted by law, you further waive any and all rights and benefits otherwise conferred by any statutory or non-statutory law of any jurisdiction that would purport to limit the scope of a release or waiver.
- 17.2 Subject to clause 16.10, you agree to indemnify, defend and hold harmless the Released Parties from any Loss or Claims arising out of:
- any illegal, fraudulent, deceptive or dishonest conduct by you in connection with your Transactions, Ancillary Transactions, use of the Platform and/or Services, the NZ Clearing Facility and trust of the NZ Clearing Funds pursuant to clause 21;
  - your breach of the Terms of Use; and
  - any damage to property, personal injury or death caused by you.

  - Loss** means a damage, loss, cost, expense or liability incurred by the person concerned however arising, including without limitation penalties, fines, and interest and including those which are prospective or contingent and the amount of which for the time being is not ascertained or ascertainable.

- c. **Released Parties** means us and our officers, directors, shareholders, agents, employees, consultants, associates, affiliates, subsidiaries, sponsors, and other third-party partners.
- d. **Relevant Matter** means anything in relation to or in connection with:
  - i. your Transactions and Ancillary Transactions;
  - ii. your use, misuse, or abuse of the Platform, Services and/or the NZ Fiat Clearing Facility and the trust of the NZ Fiat Clearing Funds pursuant to clause 21;
  - iii. any damage to property, personal injury or death;
  - iv. your breach of these Terms of Use;
  - v. any matter for which we have purported to disclaim liability under these Terms of Use;
  - vi. any Third Party Service Providers (within the meaning of clause 14) or payment providers (as described in clause 8.11); and
  - vii. your breach or failure to observe any applicable law, including taxation laws.

## 18 Termination

- 18.1 You may terminate your account at any time for any reason.
- 18.2 We may restrict, suspend, limit, remove or terminate your access to the Swyftx Platform, including your Swyftx account and any of your associated accounts (e.g., entity accounts), where:
  - a. you violate these Terms of Use;
  - b. you gain, or attempt to gain, unauthorised access to the Platform or another User's account;
  - c. you use, or attempt to use, the Platform or make Transactions to perform any illegal activities, including money laundering, terrorism financing, payment of ransomware, online gambling, or other criminal activities;
  - d. you permit a third party to gain unauthorised access to your account;
  - e. you attempt to overcome our security features;
  - f. you assist any third party to do any of the above;
  - g. we reasonably suspect you are in receipt of, or involved with, fraudulent or illegal Assets;
  - h. you fail our required verification or re-verification;
  - i. you are abusive, rude or uncooperative with us;
  - j. you refuse, or fail, to complete our required verification, re-verification, or comply with a request for information within a reasonable timeframe, as directed by us;
  - k. you do not, or no longer, meet the eligibility requirements outlined at clause 1.5;
  - l. you are the subject of any sanctions;
  - m. your use, or attempted use, of our Platform is outside of our risk appetite; or
  - n. we receive a lawful order or request from a law enforcement or other government body.
- 18.3 Where your account is terminated in accordance with clauses 18.1 or 18.2, we will issue you with an Account Closure Notice. You are required to remove all Assets from your account prior to final closure. You acknowledge and agree that sending of Crypto Assets may not be permitted if termination is resulting from, or connected with, the circumstances described in clause 18.2. Where you are not permitted to send Crypto Assets, you acknowledge and agree that, in order to remove such Crypto Assets from your account, we will liquidate (sell) any such Crypto Assets to Fiat Assets at the then-prevailing market rate.
- 18.4 You acknowledge and agree that termination of these Terms of Use or your access to the Platform does not release you from any of your obligations and liabilities that may have arisen or been incurred prior to the date of such termination.

## 19 Force Majeure

- 19.1 In this clause, **Force Majeure** means a circumstance beyond our reasonable control which occurs without our fault or negligence, and includes without limitation an act of God, inevitable accident, storm, flood, fire, earthquake, peril of navigation, epidemic, pandemic, quarantine restrictions, strike, lock-out, boycott or other industrial dispute, hostility, war (declared or undeclared), riot, insurrection, act of terrorism, executive or administrative order or act of either general or particular application of a government (whether de jure or de facto) or of any official purporting to act under the authority of such a government, prohibition or restriction by domestic or foreign laws, regulations or policies and quarantine or customs restrictions.
- 19.2 Any of our obligations to you will be suspended during the time and to the extent that we are prevented from or delayed in complying with that obligation due to a Force Majeure.
- 19.3 We exclude all liability, loss or claims to the extent that they were caused or contributed to by a Force Majeure.

## 20 General

- 20.1 All notices must be in writing and must be made through the Platform or by email. You must send all of your email notices through, and we will send all of your email notices to, the email address used for your registered account. All email notices to us must be sent to [legalnotices@swyftx.com.au](mailto:legalnotices@swyftx.com.au), and we will send you all email notices from an email address ending with @swyftx.com.au. Notices are taken to be read on the day they are received, unless they are received after 5 PM or not on a business day in the State, in which case they are deemed to be received on the next business day in the State.
- 20.2 You must not assign, sublicense or otherwise deal in any other way with any of your rights under these Terms of Use. Where permitted by law, we may assign our rights under these Terms of Use at our sole discretion.
- 20.3 If a provision of these Terms of Use is invalid or unenforceable it is to be read down or severed to the extent necessary without affecting the validity or enforceability of the remaining provisions.
- 20.4 These Terms of Use, the trust of the NZ Fiat Clearing Funds under clause 21 and the administration of such trust are governed by the laws of the State and each party submits to the exclusive jurisdiction of the courts of the State and all courts of appeal from there.
- 20.5 Any waiver of any term on these Terms of Use by us can only be done in express writing. Any failure on our part to enforce a term does not constitute a waiver and we reserve the right in relation to all breaches unless expressly stated otherwise.
- 20.6 These Terms of Use constitute the entire agreement between the parties and supersede any prior negotiations, representations, understandings or arrangements made between the parties regarding the subject matter of these Terms of Use, whether orally or in writing. However, nothing in these Terms of Use limits any liability any party may have in connection with any representations or other communications (either oral or written) made prior to or during the term of the agreement, where such liability cannot be excluded.
- 20.7 A provision of these Terms of Use which can and is intended to operate after its conclusion will remain in full force and effect – including all indemnities and releases.

## 21 New Zealand users' specific terms

- 21.1 This section 21 applies only if you are located in New Zealand.

- 21.2 We may (at our sole discretion) provide you with a facility ("**NZ Fiat Account Clearing Facility**") under which we will hold fiat currency for you and apply that fiat currency as directed by you in connection with your activities via the Platform, on and subject to the terms set out in this clause 21.
- 21.3 An NZ Fiat Clearing Facility will operate as follows, and offer the following functionality:
- a. we will open a fiat currency account ("**Fiat Clearing Account**") for you in our books.
  - b. you may from time to time transfer an amount of fiat currency from your bank account to us, as a credit to your NZ Fiat Clearing Account.
  - c. where you enter into a Transaction for which the Consideration is payable in fiat currency:
    - i. where you are the buyer under the Transaction, you direct us to pay that Consideration, as a debit to your NZ Fiat Clearing Account; and
    - ii. where you are the seller under the Transaction, you direct us to receive that Consideration, as a credit to your NZ Fiat Clearing Account.
  - d. you can from time to time direct us to transfer an amount of fiat currency from your NZ Fiat Clearing Account to your bank account.
- 21.4 Fiat currency ("**NZ Fiat Clearing Funds**" and "**your NZ Fiat Clearing Funds**") received by us in cleared funds will be receipted to your NZ Fiat Clearing Account on the following terms, subject to clause 21.5:
- a. We will hold your NZ Fiat Clearing Funds as bare trustee for your benefit, on and subject to the terms of this clause 21 and (to the extent not inconsistent with this clause 21) the remaining provisions of these Terms of Use.
  - b. We will promptly on receipt deposit your NZ Fiat Clearing Funds in, or transfer it to, a segregated account ("**NZ Bank Trust Account**") that we maintain with a bank in New Zealand, Australia or elsewhere. We may hold your Fiat Clearing Funds across different NZ Bank Trust Accounts.
  - c. An NZ Bank Trust Account may contain both your NZ Fiat Clearing Funds and funds that we hold on trust for other New Zealand Users.
  - d. Your NZ Fiat Clearing Funds will be used only in accordance with:
    - i. your directions given to us (either generally or specifically) via the Platform or in writing (including electronically/by email) ("**Directions**"); and for this purpose, a direction under clause 21.3 to use the NZ Fiat Clearing Account in relation to a Transaction will constitute a Direction by you to pay the Consideration to the relevant seller out of your NZ Fiat Clearing Funds or receive the Consideration from the relevant buyer as an accretion to your NZ Fiat Clearing Funds (as the case may be); or
    - ii. as authorised or permitted by this clause 21.
  - e. We will pay your NZ Fiat Clearing Funds (or such part of your NZ Fiat Clearing Funds as you may from time specify in the relevant Direction) to you upon your Direction, by transfer to your nominated bank account.
  - f. You irrevocably authorise us to comply with all Directions given via the Platform that are identified with your password and username or given in writing (including electronically or by email) from persons we reasonably believe are authorised by you.
  - g. We will comply with your Directions as soon as reasonably practicable, subject to clause 21.3.
  - h. No interest accrues on your Fiat Clearing Funds.
  - i. You irrevocably authorise us to settle any amount that you owe us out of your NZ Fiat Clearing Funds, by transferring a sum of money equal to that amount from the NZ Bank Trust Account (as a deduction from your NZ Fiat Clearing Funds and debit to your NZ Fiat Clearing Account) to ourselves for our own benefit. To avoid doubt, we will not be beneficially entitled to such sum of money until after its transfer out of the NZ Bank Trust Account has been completed.

- j. We may make any deductions or withholdings from your NZ Fiat Clearing Funds that are from time to time required by law or are permitted under these Terms of Use (including under clauses 21.4(i) and 21.4(j)) (collectively, “**Authorised Deductions**”).
  - k. We will account to you for your NZ Fiat Clearing Funds. The accounts for your NZ Fiat Clearing Account will be the same as the accounts for your NZ Fiat Clearing Funds.
  - l. If you close your NZ Fiat Clearing Account or we terminate your access to the Platform, we will promptly (subject to clause 9.6 as relevant) transfer your NZ Fiat Clearing Funds, net of any Authorised Deductions, to your nominated bank account (or if you have not previously nominated a bank account for this purpose, then to the most recent bank account from or to which fiat currency was transferred by or to you under this clause 21); and you irrevocably authorise us to make such transfer.
- 21.5 Notwithstanding any other provisions of this clause 21, we are not required to accept any funds as a credit to your NZ Fiat Clearing Account and accretion to your NZ Fiat Clearing Funds, or to comply with any Direction, where (or in our sole discretion, to the extent that):
- a. to do so would cause the balance of your NZ Fiat Clearing Account and NZ Fiat Clearing Funds to:
    - i. reduce to less than zero; or
    - ii. reduce to an amount that is less than the total of all amounts required to complete all Directions you have previously given us (to the extent not yet completed) and cover all Authorised Deductions (to the extent yet to be made);
  - b. we have determined not to enter into or perform the relevant Transaction as your agent, pursuant to clause 8.3;
  - c. a third party asserts an interest in or claim to your NZ Fiat Clearing Funds, unless (and then only to the extent that) a court of competent jurisdiction orders otherwise;
  - d. to do so would in our reasonable opinion likely breach or contravene an applicable legal or regulatory requirement or restriction; or
  - e. we do not provide the NZ Fiat Clearing Facility in relation to the relevant fiat currency (in our sole discretion) at the relevant time.
- 21.6 You represent and warrant to us, on a continuing basis, that no third party has any right, interest, claim or title in or to any funds paid or transferred to us as a credit to your NZ Fiat Clearing Facility or forming part of your NZ Fiat Clearing Funds, and that you are lawfully entitled to give us each Direction which you in fact give us.
- 21.7 You may close your NZ Fiat Clearing Account and terminate your use of the NZ Fiat Clearing Facility by giving us an Instruction to that effect. We may further at any time in our sole discretion close your NZ Fiat Clearing Account and terminate your access to the NZ Fiat Clearing Facility (and you release us from all liability, loss, or claims suffered by you as result of or arising out of such closure and termination). Any such closure and termination (whether by you or by us) does not release you from any of your obligations and liabilities that may have arisen or been incurred prior to the date of termination.
- 21.8 To avoid doubt, all other clauses of these Terms of Use apply to the matters provided for in this clause 21, to the extent not inconsistent with the specific provisions of this clause 21.
- 21.9 Nothing in clause 16.6(c) limits our liability to repay your NZ Fiat Clearing Funds (net of Authorised Deductions) on and subject to the terms of clause 21.
